PLEASE NOTE: Opening Number participation is a privilege and continued participation is based on preparation, professionalism, and rehearsal retention.

Selection for the Opening Number does not guarantee final performance participation. Dancers are expected to learn, retain, and rehearse all assigned choreography outside of scheduled rehearsals. If a dancer arrives at rehearsal unable to demonstrate previously taught choreography, they may be removed from the Opening Number at the discretion of the Artistic Director and rehearsal staff.

It is the responsibility of both the dancer and parent/guardian to ensure choreography is reviewed and rehearsed between rehearsal sessions. Our goal is to create a high-quality performance experience for all participants, and dancers must be prepared to contribute confidently and consistently throughout the rehearsal process.

If you identify any discrepancies or inaccuracies in the roster above, please visit the Registration Team on-site for assistance. All roster updates and corrections must be made through Registration.
