

ID DANCE COMPETITION

ID Summit + Competition – The Fall Dance Event

Sponsored by ID x PL

Columbus, Ohio | Preliminary Event Itinerary

Greater Columbus Convention Center

October 17–18, 2026

PRELIMINARY EVENT OUTLINE

Please note: This is a preliminary event outline and is subject to change.

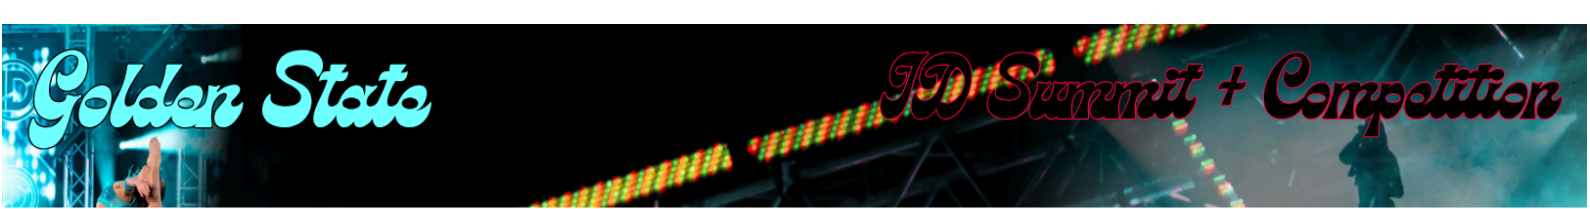

This outline is being provided as an early planning resource to help dancers and families make **preliminary travel, scheduling, and event plans**. At this time, we do **not anticipate major changes** to the overall event structure. However, families should expect **minor adjustments** as we finalize registration, competition scheduling, class times, room assignments, production needs, and other event details. Additional **pop-up experiences, special moments, activations, and event information** may also be added as we continue building the full event experience.

The **Final Event Outline** will be distributed closer to the event. Our goal is to provide the final outline approximately **two weeks prior to the event**; however, depending on final scheduling and operational needs, it may be released as late as **five (5) days prior to the event**. **The schedule is only released to registrants who are paid in full. Ensure your account is up to date.**

Please use this outline as a planning template and keep some flexibility in your schedule until the Final Event Outline has been released. ****Event registrations are non-refundable. Changes to the preliminary or final event schedule do not create eligibility for a refund.**

Individual Photo + Video Add-On Experiences

Individual **Photo + Video Shoot Add-On Experiences** will take place throughout **Saturday and Sunday** of the event. A separate schedule with assigned shoot times and additional experience details will be released soon. Families who have purchased or are participating in an individual photo or video add-on experience will be **notified directly by email** once

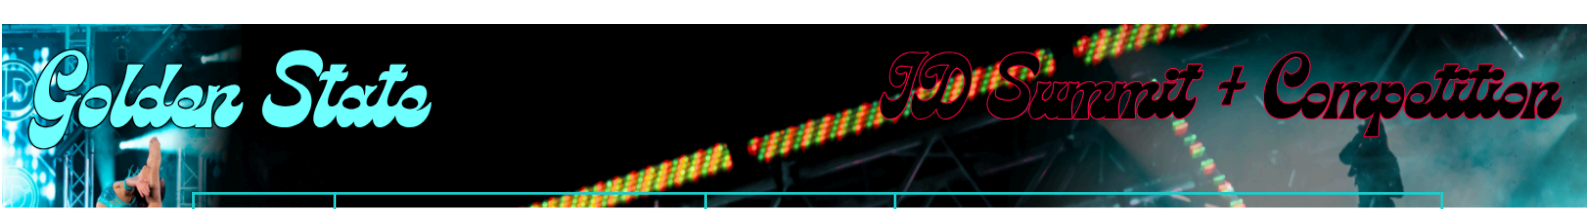

scheduling is available. Please watch the email address associated with your registration for your assigned time and additional instructions.
